Creating a Clear Future

Saturday, Aug 6th & Sunday, Aug 7th

Sponsor Opportunity!

The Clear Lake Township Land Conservancy was created 25 years ago to preserve, protect, and manage the natural environment within the watershed and township for future generations. We currently protect and manage 15 important properties in Clear Lake Township. **To celebrate our past and plan for our future, the Conservancy has exciting plans for two spectacular events.**

Saturday, August 6th will feature dinner from Sutton's Catering, a live and silent auction, and entertainment from the Dueling Pianos at the Clear Lake Yacht Club from 6-11p. Sunday, August 7th promises a hog roast with all the fixin's and music by Island Vibe at Kasota Island from 1-5p. Both events will showcase project exhibits highlighting plans for Kasota Island Shoreline Protection, Clear Lake Nature Preserve Restoration & Trails, and Operating Endowment Fund expansion.

The event sponsorship opportunities are outlined on the following page. Each sponsorship level will include complimentary tickets to join for both events. The Watershed Level offers a unique opportunity to be a Major Event Sponsor. Your business will have prominent placement on the event flyer, all publicity literature, online, and you will be mentioned from the podium with well-placed signage at the event.

Becoming a sponsor helps support the event and is an excellent way to get the word out about your business, products, or services. Most sponsorship levels offer advertising leading up to and at the event. All proceeds above and beyond the cost of the events will support the Clear Lake Township Land Conservancy's mission to preserve, protect, and manage the natural environment within the watershed and township for future generations.

Join us in support of the August events as we celebrate the past 25 years and maintain the enthusiasm and love we all have for this special corner of the state we call Clear Lake Township.
