Friday, July 3rd – Reduce, Reuse, Recycle & Rock Out!

Let's kick off the 4th of July weekend with a program from the Dumpster Drummers. Bring the whole family to **Memorial Woods**, to learn about Recycling and to Rock Out! Bring your own chairs & blankets for grass sitting or park in designated spots for stay-in-your-vehicle/golf cart viewing.

Friday, July 10th – All About Oaks

Local land lover, Don Luepke, will teach us about our native oak trees here in north-east Indiana. Families will take a potted bur oak home to plant!

Friday, July 17th – Vulture Fest

Join us for a fun session to learn about Vultures – the large birds we see soaring above Clear Lake. Bridget Harrison will share fun facts and lead a make and take project.

Friday, July 24th – Hike and Hunt

Join us at **Koeneman Lake Nature Preserve** to Hike and Hunt! Enjoy a short hike and discover nature! All participants will receive a reusable nature-themed scavenger hunt card to use on all your hiking adventures.

Friday, July 31st – Making an Impression

We will make impressions in two ways - stamping & pressing. Using objects found in nature, alongside Art Teacher Diane McArdle, you will create both paper & clay masterpieces to take home.
